At Fundamental Dental, we stand behind every dental service we provide to our patients, for all services that involve Fillings, Dentures, Night Guards, Crowns, Bridges and Veneers. When you visit our office, you can expect to receive nothing less than the best quality work. Our dentists provide a refund for the restorative dental treatment rendered based on the following guidelines and exclusions for 36 months from the start date of treatment.

Any failure to fulfill the following requirements will void the dental treatment warranty:

Terms and Conditions of our Warranty Policy

1. Any warranty will start from the day of service for that specific treatment you receive.
2. You must remain a reliable and consistent patient for the 36 months after the procedure.
3. You must maintain a schedule of regular dental appointments at our Office, to include a minimum of an oral exam every 12 months, a cleaning every 3-6 months(as determined by your doctor), bitewing X-rays every 12 months, as well as Comprehensive X-rays every 3 years.
4. You must maintain a high standard of home dental care on all remaining natural teeth with a minimum of brushing and flossing 2-3x per day.
5. We will replace the restorative dental work at no additional cost to you for either materials or labor if there is a failure in the fabrication and if all limitations are met.
6. The warranty is null and void if the failure of the restorative work is due to abuse or negligence due to any form of mistreatment of the piece. This includes but is not limited to, biting into metal objects, chewing ice, self-adjustments, etc...
7. The warranty is null and void if the restorative work needs to be removed or is damaged due to a dental problem or repair with the supporting tooth/teeth including but not limited to root canals, recurrent decay, etc...
8. The warranty does not include any cost associated with routine maintenance required over the course of its working life.
9. If the doctor determines a night guard/occlusal guard is necessary to maintain and protect your restorative work, the warranty will be null and void if you do not have one fabricated.
